

DENTALCLEAN WHITENING MAX- sodium fluoride 0.24% paste, dentifrice
Rabbit Indústria e Comércio de Produtos de Higiene Pessoal Ltda

Dentalclean Whitening Max

Sodium fluoride 0.24%

Anticavity

Use aids in the prevention of dental cavities

WARNINGS: If more than used for brushing is accidentally swallowed, get medical help or contact poison control center right away.

Directions

- Adults and children 2 years of age and older: brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor.
- Children 2 to 6 years of age: instruct children under 6 years of age in good brushing and rinsing habits (to minimize swallowing). Supervise children under 6 years as necessary and use a pea-sized amount until your child is capable of using without supervision.
- Children under 2 years of age: do not use unless directed by a dentist or doctor or as directed by a dentist or doctor.

Store in a dry, cool place away from sunlight.
