Atrix™ Clarifying Toner

Drug Facts

Active ingredient

Salicylic Acid (2%)

Purpose

Acne Treatment

Use

- for the treatment of acne
- dries and clears acne pimples, acne blemishes, whiteheads and blackheads
- helps prevent the development of acne pimples, acne blemishes, whiteheads and blackheads

Warnings

For external use only.

Flammable: Keep away from fire or flame.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- rinse right away with water if it gets in eyes.

Stop use and ask a doctor

- if skin irritation occurs or gets worse

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

■ Clean the skin thoroughly before applying product ■ moisten a cotton ball and cover the entire affected area with a thin layer one to three times daily ■ because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor ■ if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Use under the direction of a medical practitioner.

Other information

■ protect from freezing ■ avoid excessive heat

Store at 20° to 25°C (68° to 77°F)

[see USP Controlled Room Temperature].
