

**CLARITY CLEAR SKIN SOLUTIONS ACNE SPOT TREATMENT- benzoyl peroxide cream  
Melaleuca, Inc.**

---

**Sei Bella Clarity Clear Precision Acne Spot Treatment**

**Active Ingredient**

Benzoyl peroxide 10%

**Purpose**

Acne Treatment

**Uses** for the treatment and management of acne

**Warnings**

**For external use only.**

**Do not use if you**

- have very sensitive skin
- are sensitive to benzoyl peroxide

**When using this product**

- skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If this occurs, only one medication should be used unless otherwise directed by a doctor.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in lower concentration.

**Stop use and ask a doctor if** excessive irritation of the skin develops

**Keep out of reach of children.** If product is swallowed, get medical help or contact a Poison Control Center right away. Avoid contact with eyes. If contact occurs, flush thoroughly with water.

**Directions**

- cleanse and tone skin thoroughly before application
- cover the entire affected area with a thin layer 1-3 times daily
- because excessive drying of the skin may occur, start with one application daily, and then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce daily application to once a day or every other day

- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use and ask a doctor.
- *Sensitivity Test for a New User:* Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Other Information Store at room temperature 68-77°. Protect from freezing.

Aqua (Water/Eau), Benzoyl Peroxide Gel, Glycerin, Panthenol, Ethyl Macadamiate, Cetyl Alcohol, Stearic Acid, Niacinamide, Polyglyceryl-3 Methyl Glucose Distearate, Glyceryl Stearate, PEG-100 Stearate, Cetearyl Alcohol, Steareth-21, Phenoxyethanol, Bisabolol, Polysorbate 60, Steareth-2, Xanthan Gum, Allantoin, Potassium Sorbate, Chlorella Vulgaris Extract.

The image shows the packaging for Seibella Precision Acne Spot Treatment. The top section features the brand name "seibella" in a lowercase, bold, sans-serif font, with "WELLNESS INSPIRED BEAUTY" in smaller capital letters below it. Below this is a green horizontal band with the text "PRECISION ACNE SPOT TREATMENT" in English and "TRATAMIENTO LÍQUIDO PARA EL ACNÉ" in Spanish. The main body of the packaging is white with black text. It features a large section titled "Drug Facts" with "Active ingredient" and "Purpose" listed. The active ingredient is Benzoyl peroxide 10% for acne treatment. The "Uses" section lists it for the treatment and management of acne. The "Warnings" section states it is for external use only. The "Do not use if you" section lists sensitive skin and sensitivity to benzoyl peroxide as contraindications. The "When using this product" section cautions against using it with other topical acne medications and advises using only one medication at a time if this occurs.

#### ***Other Information***

- Store at room temperature  
68–77°F. Protect from freezing.

**MODO DE USO:** Limpie y tonifique completamente la piel antes de aplicar este producto. Aplique una capa delgada sobre toda el área afectada de una a tres veces al día. En caso de que la piel se seque mucho, comience con una aplicación diaria y aumente gradualmente según sea necesario. Si la resequedad o descamación causan molestias, reduzca la aplicación a una vez al día o cada dos días. Si sale al aire libre, utilice un protector solar después de aplicarse este producto. En caso de irritación o sensibilidad, suspenda el uso y consulte con un médico.

**ADVERTENCIAS:** Para uso externo únicamente. Evite el contacto con los ojos. En caso de contacto con los ojos, enjuague con abundante agua. Manténgalo fuera del alcance de los niños. En caso de ingestión, consulte con un médico o llame al Centro de Información Toxicológica. Almacene a temperatura ambiente, entre 20 °C y 25 °C. No lo congele. Para más información farmacológica, consulte la hoja informativa de este producto.
