

PAIN RELIEF PATCH- lidocaine 4% patch
Bionpharma Inc.

Lidocaine 4% pain relief patch

Active ingredient

Lidocaine 4%

Purpose

Topical anesthetic

Uses

For the temporary relief of minor pain.

Warnings

For external use only.

Do not use

- If you are allergic to any active or inactive ingredients of this product
- On wounds or damaged, irritated or sensitive skin
- More than one patch on your body at a time or with other topical analgesics at the same time
- For more than one week without consulting a doctor
- With a heating pad
- If pouch is damaged or opened.

When using this product

- Avoid contact with the eyes
- Use only as directed
- Read and follow all directions and warnings on this package
- Do not bandage tightly or apply local heat to the area of use
- Do not reuse patch
- Keep this product away from pets and children. Used patches still contain the drug product that can produce serious adverse effect if a child or pet chews or ingests this patch

Stop use and ask a doctor if

- Condition worsens
- Symptoms persist for more than seven days or clear up and occur again within a few days
- Localized skin reactions such as rash, pain, itching, redness, irritation, swelling or blistering occur where the product was applied.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children and pets

If chewed or swallowed, get medical help or contact a Poison Control Center right away (800-222-1222).
