-----

**Drug Facts**

**Active ingredients**

Camphor 8.3%  
Menthol 3.32%  
Methyl salicylate 13.84%

**Purpose**

External analgesic

**Uses**

For the temporary relief of minor aches and pains of muscles and joints due to: ■ simple backache ■ arthritis ■ strains ■ bruises ■ sprains

**Warnings**

**For external use only**

**Allergy alert:** This product contains natural rubber latex which may cause allergic reactions

**Do not use**

■ on irritated or damaged skin ■ on wounds ■ otherwise than as directed

**When using this product**

■ avoid contact with the eyes or mucous membranes  
■ do not bandage tightly  
■ avoid placing on extremely hairy areas of skin to avoid irritation upon removing the plaster

**Stop use and ask a doctor if**

■ condition worsens  
■ symptoms persist for more than 7 days  
■ symptoms clear up and occur again within a few days  
■ excessive irritation of the skin develops  
■ nausea, vomiting, abdominal discomfort, diarrhea, or skin rash occurs  
■ when using for pain of arthritis:  
■ pain persists for more than 10 days ■ redness is present  
■ in conditions affecting children under 12 years of age

**Keep out of reach of children** to avoid accidental poisoning.

If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

■ adults and children 3 years of age and older: remove the attached film from the plaster. Apply to affected area not more than 3 to 4 times daily  
■ children under 3 years of age: consult your physician  
■ refer to the above warnings; use otherwise than as directed may be dangerous

**Other information**

■ keep in a tightly closed container

- store at 15° to 30° C (59° to 86° F)
