Drug Facts

Active ingredient (%) Purpose
Salicylic Acid 0.5% Acne Treatment

Use For the treatment of acne.

Warnings

For external use only. When using this product
• Skin irritation and dryness is more likely to occur if
you use another topical acne medication at the
same time. If irritation occurs, only use one topical
acne medication at a time. • Avoid contact with
eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison
Control Center right away.

Directions

• Clean the skin thoroughly before applying this
product. • Cover the entire affected area with a
thin layer one to three times daily. • Because
excessive drying of the skin may occur, start with
one application daily, then gradually increase to
two or three times daily if needed or as directed
by a doctor. • If bothersome dryness or peeling
occurs, reduce application to once a day or
every other day.

Other Information

Store at room temperature
