Drug Facts

Active ingredient (%) Purpose
Salicylic Acid 0.5% Acne Treatment

Use For the treatment of acne.

Warnings

For external use only. When using this product
• Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. • Avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.
If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• Clean the skin thoroughly before applying this product. • Cover the entire affected area with a thin layer one to three times daily. • Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. • If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
