

VET BASICS EAR FLUSH- boric acid, acetic acid rinse

Revival Animal Health

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click [here](#).

Vet Basics® Ear Flush is a synergistic formulation of boric acid and acetic acid that supports your pets' clean, healthy ears. It aids in providing relief for animals experiencing ear inflammation and pain, discharge, pruritus and head shaking. Vet Basics® Ear Flush is especially effective for flushing extremely oily or crusty ears, eliminating excess wax and debris while reducing unpleasant odor. The addition of Aloe Vera helps provide soothing comfort for red, irritated ears.

Manufactured for:
Revival Animal Health

800.786.4751

Rev 0624

UPC 81716001094

Active Ingredients: Boric Acid, Acetic Acid

Ingredients: Purified Water, Ethanol, Propylene Glycol, Cocamidopropyl PG-Dimonium Chloride Phosphate, Fragrance, Aloe Vera, FD&C Blue #1, FD&C Yellow #5

DIRECTIONS FOR USE

Apply liberally into the ear canal. Gently massage the base of the ear, allowing the solution to come in contact with wax or debris. For best results, allow solution to remain for 5 minutes before cleaning. Use a soft cloth, gauze or tissue to remove excess wax and debris. For maximum benefit, use 2-3 times weekly or as directed by your veterinarian.

Do not use if there is suspected damage to the eardrum. If irritation develops, discontinue use and consult your veterinarian.

For External Use Only
