HAIR REMOVAL FOAM SPRAY

Clean hair removal, convenient and fast to use, easy to clean. The skin remains silky and soft, with dense and smooth foam, making the skin delicate and smooth, and enjoying silky and beautiful skin. Frequently used, hair suppressor molecules can penetrate hair follicles, blocking the nutrients needed to slow down hair growth.

- Mild depilation
- Inhibit growth
- Persistent smoothness
- Care&Repair

Usage:

Before use, gently shake the bottle, keep the bottle 10-15cm away from the skin and press the spray head, so that a thin layer of foam can be sprayed on the armpits, legs, arms and other parts that need hair removal. Spray the foam by moving it up and down, keep the foam for 8-10 minutes, and then clean it with a sponge dipped in warm or cold water or a wet towel. Remove residual foam from spray valve after use.
