

## **XLEAR NASAL DECONGESTANT- nasal spray liquid**

**Xlear Inc.**

-----

### **Warnings**

The use of this container by more than one person may spread infection. Keep out of reach of children. Clean nozzle after each use & replace the cap. Do not exceed recommended dosage. Do not use this product for more than 3 days. If pregnant or breast-feeding, ask a health professional before use. Ask a physician before use if you have - heart disease - high blood pressure - thyroid disease - diabetes - trouble urinating due to enlarged prostate gland - Not for children under age 6 unless directed by a physician.

### **Uses**

Uses: For temporary relief of nasal decongestion due to colds, hay fever or upper respiratory allergies, or associated with sinusitis. Helps soothe & moisturize nasal passages. Thins & loosens mucous secretions.

### **Directions**

Directions: Shake well before using. The metered pump sprayer provides a precise amount of soothing spray in a fine mist. Clear the nasal passage-way by gently blowing your nose before using. Prior to initial use, remove cap, prime the pump by holding it upright and pumping one or more times until the solution is dispensed. Insert nozzle into nostril and depress pump completely while breathing in through nose. Clean nozzle after use. Ages 6 years to adult (with adult supervision) - spray 1-2 times in each nostril not more often than every 10 to 12 hours. Do not exceed 2 doses in any 24-hour period.
