

ACNE BODY WASH- salicylic acid soap
Curology

Acne Body Wash (82575-100, 82575-200)

Active Ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Uses

For the treatment of acne

Warnings

For external use only

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Dampen skin and massage a thin layer onto the entire affected area then rinse thoroughly.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information

Store at 20°-25°C (68°-77°F)
