

ACNE TREATMENT CREAM- acne treatment cream cream
Shenzhen Hengkaifeng Commerce and Trade Co., Ltd

ACTIVE INGREDIENT

Benzoyl peroxide 10%

Purpose

Acne Treatment

Use

for the treatment of acne

Warnings

For external use only

Do not use

Do not use this if you have very sensitive skin or if you are sensitive to benzoyl peroxide.

When using this product

keep away from eyes, lips and mouth

avoid unnecessary sun exposure and use a sunscreen

avoid contact with hair or dyed fabric, including carpet and clothing which may be bleached by this product

skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Mild irritation may be reduced by using the product less frequently or in a lower concentration.

If irritation becomes severe, discontinue use; if irritation still continues, consult a doctor. Using other topical acne medication at the same time or immediately following the use of this product may

increase dryness or irritation of the skin, if this occurs, only one medication should be used unless directed by a doctor.

Keep Out Of Reach Of Children

Keep out of reach of children. If swallowed, get help or contact a Poison Control Center right away. Avoid contact with the eyes. If contact occurs, flush thoroughly with water.

Directions Of Safe Use:

Cleanse skin thoroughly before applying Acne Cream. Cover the entire affected area with a thin layer 1-3 times daily. If bothersome dryness or peeling occurs, reduce application to once a day.

Other information

Keep tightly closed. Avoid storing at extreme temperatures (below 40° and above 100° F).

Inactive ingredients

water, carbomer, disodium EDTA, hydroxypropyl methylcellulose, laureth-4, sodium hydroxide, hyaluronic acid, niacinamide

- adults and children 12 years of age and older:
- apply at least a 1-inch strip of the product onto a soft bristle toothbrush.
- brush teeth thoroughly for at least 1 minute twice a day (morning and evening), and not more than 3 times a day, or as recommended by a dentist or doctor. Make sure to brush all sensitive areas of the teeth. Minimize swallowing. Spit out after brushing.
- children under 12 years of age: Consult a dentist or doctor.
