-----  
**Bunnies Bum Creme Soothing Hemorrhoidal**

Glycerin 14.4%, Lidocaine 5%, Petrolatum 15%, Phenylephrine HCl 0.25%

Glycerin-Protectant

Lidocaine-Local anesthetic

Petrolatum-Protectant

Phenylephrine HCl Vasoconstrictor

- For the temporary relief of pain, soreness, and burning
- Helps relieve the local itching and discomfort associated with hemorrhoids
- Temporarily shrinks hemorrhoidal tissue
- Temporarily provides a coating for the relief of anorectal discomforts
- Temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

**For external use only.**

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland

**Ask a doctor or pharmacist before use if you are** presently taking a prescription drug for high blood pressure or depression

**When using this product**

- avoid contact with eyes
- do not exceed recommended dosage unless directed by a doctor
- do not put this into the rectum by using fingers or any mechanical device or applicator

**Stop use and ask a doctor if**

- rectal bleeding occurs
- condition worsens or does not improve within 7 days
- allergic reaction occurs to ingredients in this product
- symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase
- symptoms clear up and return within a few days

Ask a health professional before use.

If swallowed, get medical help or contact a Poison Control Center right away.

- Adults: when practical, clean area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with toilet tissue or soft cloth before applying.
- Adults and children 12 years and older: apply externally to the affected area up to 4 times a day, especially at night, in the morning, or after each bowel movement.
- Children under 12 years of age: consult a doctor.
