

**0.25 % PHENYLEPHRINE HCL HEMORRHOIDAL- mineral oil, petrolatum, phenylephrine hydrochloride ointment
Nantong Health & Beyond Hygienic Products Inc.**

43473-094 0.25 % PHENYLEPHRINE HCl HEMORRHOIDAL OINTMENT

Drug Facts

Active ingredient

Mineral Oil 14%
Petrolatum 74.9%
Phenylephrine HCl 0.25%

Purpose

Protectant
Protectant
Vasoconstrictor

Uses

helps relieve the local itching and discomfort associated with hemorrhoids • temporarily shrinks hemorrhoidal tissue and relieves burning • temporarily provides a coating for relief of anorectal discomforts • temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

Warnings

For external use only.

Ask a doctor before use if you have • heart disease • high blood pressure • thyroid disease • diabetes • difficulty in urination due to enlargement of the prostate gland

Ask a doctor or pharmacist before use if you are presently taking a prescription drug for high blood pressure or depression

When using this product do not exceed the recommended daily dosage unless directed by a doctor

Stop use and ask a doctor if • bleeding occurs • condition worsens or does not improve within 7 days • introduction of applicator into the rectum causes additional pain

If pregnant or breast-feeding, ask a healthcare professional before use

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before applying ointment • when first opening the tube, puncture foil seal secured on tube • apply to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement • intrarectal use: remove cover from applicator, attach applicator to tube, lubricate applicator well and gently insert applicator into the rectum • thoroughly cleanse applicator after each use and replace cover • also apply ointment to external area • regular use provides continual therapy for relief of symptoms • children under 12 years of age: ask a doctor.

Other information

• store at 20°-25°C (68°-77°F) • do not use if tube seal under cap is broken

Inactive ingredients

beeswax, cetareth-20, cetostearyl alcohol, glycerin

FAST RELIEF OINTMENT

- ✓ Relieves burning
- ✓ Soothes pain
- ✓ itching & swelling
