

BAODAO TATTOO NUMBING- lidocaine 5% tattoo numbing spray
Jiangxi Hemei Pharmaceutical Co., Ltd

84010-019

Active Ingredient

Lidocaine 5%

Purpose

Local Anesthetic

Use

For temporary relief of local discomfort, itching, pain, soreness, or burning related to the tattoo process.

Warnings

For external use only.

Do not use

Do not exceed the recommended daily dosage unless directed by a doctor.

Avoid contact with eyes. If this happens, rinse thoroughly with water.

If symptoms persist for more than 7 days or subside but occur again within 3 days, stop use and consult a physician.

Stop use and seek medical attention if signs of an allergy occur, such as redness, irritation, swelling, pain, or other severe symptoms. If symptoms do not subside completely within 7 days, seek medical help.

When Using

Avoid contact with eyes. If this happens, rinse thoroughly with water.

Stop Use

If symptoms persist for more than 7 days or subside but occur again within 3 days, stop use and consult a physician.

Ask Doctor

Stop use and seek medical attention if signs of an allergy occur, such as redness,

irritation, swelling ,pain,or other severe symptoms.If symptoms donot subside completely within 7 days, seek medicalhelp.

Keep Oot Of Reach Of Children

Keep out of reach of children.

Directions

Clean the residue from the tattooed area before spraying.Then, spray 2-3 times repeatedly to ensure full skin absorption.

After approximately 10-20 seconds, the skin willstart to feel numb. For a longer-lasting numbing effect, consider spraying multiple times and extending the waiting period.

During the tattooing process, spray a moderate amount ofthis product every 3-5 minutes, regardless of whether experiencing pain, to achieve a pain-freetattooing experience throughout.

Other information
