Handling and Disposal

- hands should be washed after the handling and eye contact should be avoided
- do not store patch outside the sealed envelope
- apply immediately after removal from protected envelope
- fold used patches so that the adhesive side sticks to itself and safely discard used patches or pieces of cut patches where children and pets cannot get them
- kept out of the reach of children both before and after use

Stop use and ask a doctor if

- excessive redness or irritation is present
- condition worsens
- pain persists for more than 7 days
- symptoms clear up and occur again within a few days

If pregnant or breastfeeding, **ask** a health professional before use.

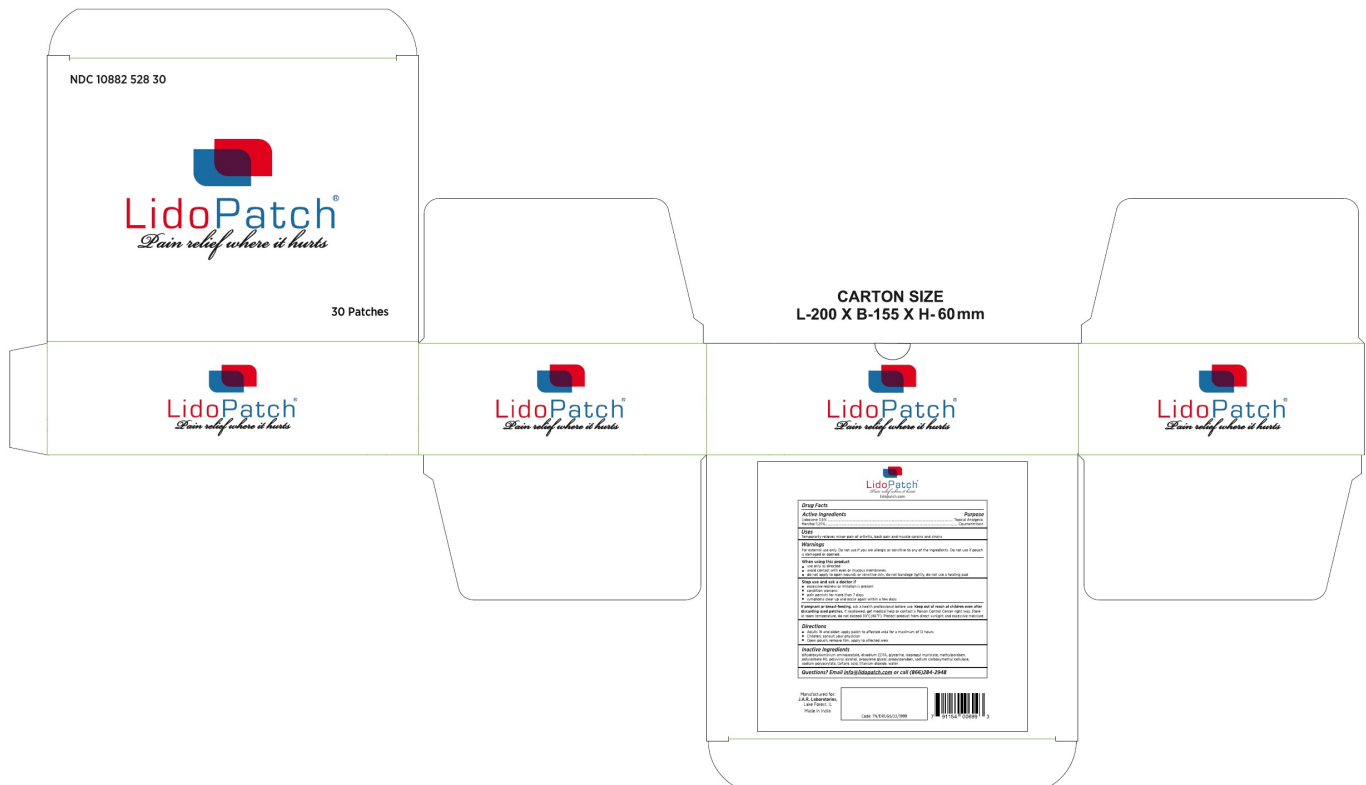

Directions

- adults: apply patch to affected area for a maximum of 12 hours. Do not use more than 1 patch ever 24 hours.
- children: consult your physician
- remove protective film, gently apply to affected area

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
