

ZO SKIN HEALTH RETINOL PLUS ACNE COMPLEX- salicylic acid lotion
ZO Skin Health, Inc.

ZO® Skin Health Retinol + Acne Complex (Formula No. ZO-012-10)
National Drug Code 42851-093-50

Drug Facts

Active Ingredients

Active Ingredients

Salicylic Acid 2.0%

Purpose

Acne Medication

Uses

- For the management of acne.
- Penetrates pores to control acne blemishes.
- Helps prevent new acne blemishes from forming.

Warnings

For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor

- if irritation occurs or gets worse.

Keep out of reach of children.

- If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Sensitivity Test for a New User. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated below.

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information

- Protect this product from excessive heat and direct sun.

Inactive Ingredients
