**For external use only**

**Acne Clearing Hydrator - Warnings**

For external use only

### **Mineral Acne Cleanser - When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- apply only to areas with acne
- avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water

### **Acne Clearing Hydrator - When using this product**

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

avoid contact with eyes.

if contact occurs, rinse eyes thoroughly with water.

### **Mineral Acne Cleanser - Do not use if you**

on

- broken skin
- large areas of the skin

### **Mineral Acne Cleanser - Keep out of reach of children**

If swallowed, call a Poison Control Center or get medical help right away.

### **Acne Clearing Hydrator - Keep out of reach of children**

If swallowed, call a Poison Control Center or get medical help right away.

### ***Mineral Acne Cleanser - Directions***

Sensitivity Test for a New User. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs follow the directions stated below.

- cover the entire affected area with a thin layer

and rinse thoroughly one to three times daily

- because excessive drying of the skin

may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor

- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

### **Acne Clearing Hydrator - Directions**

Sensitivity Test for a New User. Apply product sparingly to one or two small affected

areas during the first 3 days. If no discomfort occurs, follow the directions stated below. clean the skin thoroughly before applying this product • cover the entire affected area with a thin layer one to three times daily

- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor a if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
