on damaged or broken skin.

undefined

keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor

if rash occurs.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away. This product has been shown only to help prevent sunburn, not skin cancer or early skin aging. Protects against UVB and UVA rays. This product does not provide 100% protection. Use physical protection (hat, t-shirt, glasses, etc.) Avoid long periods of sun exposure even if you are using sun protection. Keep babies and young children out of direct sunlight. The excessive sun exposure is a major health risk, Discontinue use if signs of irritation or rash occur. Avoid contact with eyes, may cause irritation.

Directions:

Apply liberally 15 minutes before sun exposure - reapply at least every two hours. Apply morning and night, and as often as needed during the day. Reapply frequently on sun-centric days, and adventures. Children under 6 months of age: Ask a doctor. Apply before sun exposure. To maintain protection, apply frequently, especially after sweating, swimming or drying off. Apply sufficient amount to the skin. **Sun Protection Measures:**

Other information:

Protect this product from excessive heat and direct sun.
