PROTECT CARE

San-E-Pur antiseptic wipes are safe for skin and are perfect for cleaning and reducing bacteria from hands.

Ideal for sanitizing and eliminating contaminants when soap and water is not available. Our alcohol-based formula effectively reduces bacteria as well as serves as an antiseptic agent

DIRECTIONS FOR USE

Adults and children 2 years and over: Rub thoroughly into hands for at least 30 seconds. Allow to dry. For occasional and personal domestic use. Supervise children when they use this product.

RECOMMENDED USE

- **Antibacterial (skin) cleanser.**
- **Antiseptic (skin) cleanser.**
- **Effective in destroying (harmful) bacteria to provide antiseptic cleansing.**
- **For personal hand hygiene to help prevent the spread of bacteria.**
- **Kills harmful bacteria/germs.**

Store in a cool and dry place, away from direct sunlight.

Do not use if the inner seal is broken.
