fragrance-free
Sometimes less is more... sanii wipes are fragrance-free and have a light alcohol smell when wet, leaving nothing behind once dry.

safe & effective
Whether in your home, business, on-the-go, or in a medical setting, 99.99% of common germs don't stand a chance against these wipes.

simple, clean ingredients
Everything you need to stay clean with nothing extra. Formulated exclusively by klenlii in California and manufactured in China.
