- This reparative cream-gel hybrid eye cream reduces the appearance of fine lines and helps to lock in moisture, reinforce and support the skin's protective barrier function around the delicate eye area.
- Rich in skin-nourishing allantoin that helps to soothe, this eye cream fights transepidermal water loss for plumper, more supple skin.
- Evening primrose oil, rich in saturated fatty acids, allows this eye cream to hydrate and protect the skin from everyday stressors.
