

**IVIZIA LUBRICANT EYE GEL- povidone gel**  
**Thea Pharma Inc.**

-----  
**IVIZIA Lubricant Eye Gel for Severe Night Dry Eyes**

**Active Ingredient**

Povidone 0.5%

**Purpose**

Eye lubricant

**Uses**

(one or more of these)

For the temporary relief of burning and irritation due to dryness of the eye

For the temporary relief of discomfort due to minor irritations of the eye or to exposure to wind and sun

For use as a protectant against further irritation or to relieve dryness of the eye

For use as a lubricant to prevent further irritation or to relieve dryness of the eye.

**Warnings:**

**For external use only (in the eye)**

**Do not use if:**

- you are allergic to any of the ingredients.
- solution changes color or becomes cloudy.
- pouch or vial is damaged or broken
- To avoid contamination, do not touch the tip of container to any surface. Do not reuse. Once opened, discard.
- If you experience eye pain, changes in vision, continued redness or irritation of the eye, or if the condition worsens or persists for more than 72 hours, discontinue use and consult a doctor.

**If pregnant, trying to get pregnant or breast feeding,** ask a health professional before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

**When using this product:**

- Rare possibility of mild eye irritation and ocular redness. In such cases, contact lens wears should remove their contact lenses.
- You might experience bothersome symptoms such as burning sensation, stinging sensation, foreign body sensation in the eye and blurred vision for a short time.

## **Directions**

- Wash hands well before use.
- Take one single-use vial off the strip. Turn upside down, tap the vial and twist off the top.
- Instill 1 or 2 drops in the affected eye(s) as needed. Gel is particularly suited for severe dry eye or nighttime use.
- Wait at least 15 minutes between using two different eye products. Use this gel last.

If you wear contact lenses: you must remove them before using iVIZIA gel. After use wait at least 30 minutes before putting your lenses back in.

## **Other Information**

Store below 86°F. Expiration date refers to the product in intact packaging, stored correctly.

## **Inactive ingredients**

Carbomer, Purified water, Sodium hyaluronate, Sodium hydroxide, Sorbitol, Trehalose
