

**CVS PAIN RELIEF- menthol 4% gel**  
**CVS**

-----  
**CVS Pain Relief, Menthol 4%**

Menthol 4%

External Analgesic

Temporarily relieves minor aches and pains of muscles and joints associated with arthritis, simple backache, sprains, bruises, and muscle strains.

**For external use only.**

**Flammable.** Keep away from excessive heat or open flame.

**When using this product** use only as directed. Avoid contact with eyes and mucous membranes, do not apply to wounds or damaged skin, do not apply to irritated skin or if excessive irritation develops, do not bandage tightly or use with heating pad or device. Children 12 years of age and older: use only under adult supervision.

**Stop use and ask a doctor** if you experience pain, swelling, or blistering of the skin, condition worsens, symptoms last more than 7 days or clear up and occur again within a few days.

Ask a health professional before use.

If product is swallowed, get medical help or contact a Poison Control Center right away.

**Adults and children of 12 years:** rub a thin film over affected area not more than 3 to 4 times daily. **Children under 12 years of age:** ask a doctor. Wash hands after use with cool water.

Carbomer, fragrance, isopropyl alcohol, magnesium sulfate, sodium hydroxide, water.

## Drug Facts

### Active ingredient

Menthol 4%..... External analgesic

### Purpose

**Uses** Temporarily relieves minor aches and pains of muscles and joints associated with
