Drug Facts

Active ingredients

Salicylic acid 1%

Purpose

Acne treatment

Uses

- for the treatment of acne.
- dries and clears acne pimples, acne blemishes and blackheads and allows skin to heal.
- helps prevent new acne pimples, acne blemishes and blackheads from forming.

Warnings

For external use only.

When using this product

-skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at all a time.

-avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Keep out of reach of children. If product is swallowed, get medical help or contact a poison control center right away.

Directions

Cleanse skin thoroughly before applying. Cover the affected area with a thin layer 1 to 3 times a day. Because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
