

HEALTHCAREPRODUCTSPASTE- healthcareproductspaste patch

Shenzhen Zhumeng Times Technology Co., Ltd.

Active ingredients

Dried Ginger

Purpose

This product consists of a spherical body (stone) and medical adhesive tape (hot melt adhesive, polyethylene film, release paper). It is applied to acupuncture points on the human body and provides pressure stimulation through external force. This is a non-sterile product.

Uses

External application. Before use, clean the skin with alcohol or warm water, remove the release paper, and apply to acupuncture points on the human body for external stimulation. Each patch can be used for 12-72 hours.

Contraindications, Precautions, Warnings, and Instructions

1. This product is for external use only, do not apply to broken skin, near the eyes and mouth;
2. Occasionally, local skin redness and itching may occur during use, please stop using and rinse with water;
3. If the condition does not improve after using the acupuncture stickers, you should promptly consult a physician for medical treatment;
4. This product is for single-use only;
5. Children must be used under adult supervision to avoid accidental ingestion;
6. Pregnant women and those who are allergic are prohibited from using this product.

Dosage and administration

For external use only.

Do not use

Please make sure your skin is clean before use. Avoid using on open wounds or skin with allergic reactions.

When using section
