

**NA MI CAL- calcium carbonate tablet**  
**NPG Bio Pharmaceuticals Co.,Ltd.**

-----  
**84540-422 Na Mi Cal PTP**

**Active Ingredients**

Calcium Carbonate (CaCO<sub>3</sub>) 33%, 400 mg

**Purposes**

This product is designed to support healthy height growth during the critical years of adolescence, ensuring that young individuals reach their full potential in stature. Additionally, it plays a crucial role in aiding the prevention of osteoporosis by helping to maintain optimal bone density as the body matures, thereby contributing to long-term skeletal health.

**Uses**

This supplement is intended to support healthy bone development and maintenance in adolescents and adults, and may help prevent osteoporosis.

**Warnings**

Ensure that the included desiccant is not ingested.

**Warnings**

Pregnant women are advised to consult with their healthcare provider prior to use.

**Warnings**

Stop use and ask a doctor if  
symptoms persist or get worse.

**Warnings**

When using this product  
do not use more than directed.  
take with enough water or drink to avoid getting into airway.

**Warnings**

Ensure that the included desiccant is not ingested.

## Inactive Ingredients

Microcrystalline Cellulose, Magnesium Oxide, Lactose, Gardenia Florida Fruit Extract, ardenia Jasminoides Fruit Extract, Vitis Vinifera (Grape) Juice Powder, Maltodextrin, Hydroxypropyl, Methylcellulose, Flavor, Ascorbic Acid, Silica, Magnesium Stearate, Cholecalciferol, Zinc Oxide
