Hair Regrowth Treatment

Use to regrow hair of the scalp

Flammable: keep away from fire or flame.

Keep out of reach of children.

For external use only

Your hair loss is sudden and/or patchy.

Your hair loss is associated with childbirth.

You do not know the reason for your hair loss.

You are under 18 years of age. Do not use on babies and children.

Your scalp is red, itchy, infected, irritated, or painful.

You use other medicines on the scalp.

Avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water.

Some people have experienced changes in hair color and/or texture.

It takes time to regrow hair. Results may occur at 3 months with twice a day usage. For some men, you may need to use this product for at least 6 months before you see results. The amount of hair regrowth is different for each person.

Avoid contact with eyes. In case of accidental contact, rinse eyes with large amount of cool tap water.

Chest pain, rapid heartbeat, dizziness, or dizziness occurs.

Sudden, unexplained weight gain occurs.

If unwanted facial hair growth occurs.

If you do not see hair regrowth in 6 months.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

1. Shake the bottle, hold it upside down and gently press the valve to dispense foam onto your hand, approximately the size of half a capful

2. Massage the foam into your scalp with your fingers, parting your hair into rows to ensure even application to areas with thinning hair. Then, wash your hands thoroughly.

3. Use Twice Daily and enjoy thicker, fuller hair growth in as little as 3 to 6 months.

Before use, read all information on carton and enclosed leaflet. Store at controlled room temperature 20° to 25°C (68° to 77°F). Do not incinerate container. Do not expose to heat or store at temperature above 104° F (40°C).
