

**LAMISIL AT- terbinafine hydrochloride spray**  
**Karo Healthcare Inc.**

-----  
**Lamisil AT (Terbinafine Hydrochloride) Spray 1% 120 g**

***Active Ingredient***

Terbinafine hydrochloride 1%

**Purpose**

Antifungal

***Uses***

- cures most athlete's foot (tinea pedis) between the toes. Effectiveness on the bottom or sides of foot is unknown.
- cures most jock itch (tinea cruris) and ringworm (tinea corporis)
- relieves itching, burning, cracking and scaling which accompany these conditions

***Warnings***

**For external use only**

**Do not use**

- on nails or scalp
- in or near the mouth or eyes
- for vaginal yeast infections

**When using this product**

- do not get into eyes. If eye contact occurs, rinse thoroughly with water.
- do not puncture or incinerate; contents under pressure. Do not expose to heat or store at temperatures above 120°F (49°C).

**Stop use and ask a doctor if** too much irritation occurs or gets worse

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- adults and children 12 years and over:
  - wash the affected area with soap and water and dry completely before applying
  - to open remove clear cap

- hold can 4" to 6" from skin. Press and hold to spray a thin layer over affected area
- release to stop spray
- wipe excess from spray opening after each use
- return cap to can
  - **for athlete's foot between the toes** spray twice a day (morning and night) for 1 week or as directed by a doctor. Wear well-fitting, ventilated shoes. Change shoes and socks at least once daily.
  - **for jock itch and ringworm** spray affected area once a day (morning or night) for 1 week or as directed by a doctor
- wash hands after each use
- children under 12 years: ask a doctor

### ***Other Information***

- store at 20° to 25°C (68° to 77°F)

### ***Inactive Ingredients***

ethanol, polyoxyl 20 cetostearyl ether, propylene glycol, purified water
