Pregnant women or severe skin diseases not to use

**OUT OF CHILDREN**

KEEP THE PRODUCT OUT OF REACH OF CHILDREN to

**HOW TO USE**

**SECONDARY CLEANING**

After cleansing, take an appropriate amount of toner on a cotton pad to wipe the acne

and rough pores on the face clean the residue on the skin surface (or pour it in your hands and pat it on the face until absorbed) without washing, and then do a good job of moisturizing afterward (it is recommended to use it at night, Use 2-3 times a week, pay attention to moisturizing after use, and pay attention to sun protection when going out during the day)

### WET COMPRESS

You can focus on oily areas, blackheads and closed acne with a thin cotton pad and apply it for 3-5 minutes without washing. Follow up with moisturizing work (It is recommended to use it at night, 2-3 times a week, dry sensitive skin barrier is damaged, and the stratum corneum is thin, so wet compress is not recommended)

### Dosage

take an appropriate amount, Use 2-3 times a week

### PRODUCT COMPOSITION

#### GLYCOLIC ACID 7%

Moisturize and strengthen skin barrier improve blemishes and acne, astringe pores, gently remove cutin, and brighten luster.

#### ALOE VERA

Deeply clean the stubborn dirt on the skin. The natural aloe juice can better blend with other mild formulas, so it can give the skin more comprehensive care and moisture.

#### TASMANIAN PEPPERBERRY

Plant extracts can effectively relieve the stimulation of acid components.

#### GINSENG EXTRACT

Ginseng contains some special substances, which can resist oxidation and alleviate aging.

### PRODUCT FEATURES

#### Prevent skin aging

This product contains glycolic acid and plant extracts. Therefore, it can promote the synthesis of collagen in the dermis, thus preventing skin aging.

Multi effect Moisturize and strengthen skin barrier improve blemishes and acne astringe pores, gently remove cutin.
