

SOLUCLEAR - ACNE TREATMENT SERUM- salicylic acid gel

Respect Manufacturing Corporation

SoluClear Acne Treatment Serum

Salicylic Acid 0.5%

Acne Medication

For external use only

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

If swallowed get medical help or contact a Poison Control Center immediately.

- Clean the skin thoroughly before applying
- Cover the entire affected area with a thin layer 1-3 times daily. Because excessive drying of the skin may occur, start with one application daily, with a thin layer 1-3 times daily if needed or as directed by doctor. If bothersome dryness or peeling occurs, reduce application to once a day or everyother day.

Water, Polyoxyethylene-Polyoxypropylene, Water Soluable Hemp Extract (2.0%), Germall Plus (natural preservative), Vitamin C, Peppermint Fragrance

Uses

For the treatment of • acne • acne pimples • black & whiteheads

For all Skin Types

Made in the USA

Water Soluable Hemp Extract 2.0%

Salicylic Acid 0.5%

1 oz (30 ml)

Side Panels

Thermal Fusion

Our thermal fusion technology guarantees 100% penetration of potent acne-fighting ingredients deep into your skin, directly targeting breakouts at their source. While traditional emulsion-based treatments achieve only about 10% penetration, SoluClear delivers up to 10x more active ingredients where they-re needed most.

Harnessing your natural body temperature, SoluClear's unique subdermal delivery system ensures precise, deep action against acne, eliminating it effectively and efficiently. Say goodbye to surface-level solutions and hello to a clear, healthy looking complexion.

DIRECTIONS
Clean the skin thoroughly before applying. Cover the entire affected area with a thin layer 1 to 2 times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
