Paw Science MEDICATED EAR FLUSH

PRODUCT INFORMATION:

Active Ingredients:

Ketoconazole 0.1%

Inactive Ingredients:

Water, SD Alcohol 40-B, Nonoxynol-9, Benzyl Alcohol, Disodium EDTA, Fragrance, Tromethamine

Cautions:

Do not use on broken skin, ruptured eardrums, or if blood is present. Avoid contact with eyes, nose, or other mucous membranes. If your pet's ear condition persists or worsens, discontinue use and consult your veterinarian. In case of eye contact, flush the eye with water and seek medical attention if eye irritation continues.

DIRECTIONS FOR USE:

Paw Science Medicated Ear Flush gently cleanses and flushes your pet's ears, relieving discomfort and supporting ear health.

1. Shake well before each use.
2. Generously apply the solution to your pet's ear canal twice daily or as directed by your veterinarian.
3. Massage the base of the ear for 20-30 seconds.
4. Allow your pet to shake its head to help remove excess solution.
5. Wipe away any residue from the ear opening with an absorbent material.
6. Wash your hands after application.

Storage:

Store at room temperature; protect from freezing.

Warnings:

For topical use on dogs and cats only. Keep out of the reach of children and animals.
