Clear Proof Blemish Control Toner
Drug Facts

Active ingredient

Salicylic Acid (2% W/W)

Purpose

Acne Medication

Uses

- for the management of acne
- helps prevent new acne pimples

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with the eyes

Stop use and ask a doctor

if irritation or sensitivity develops or increases

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

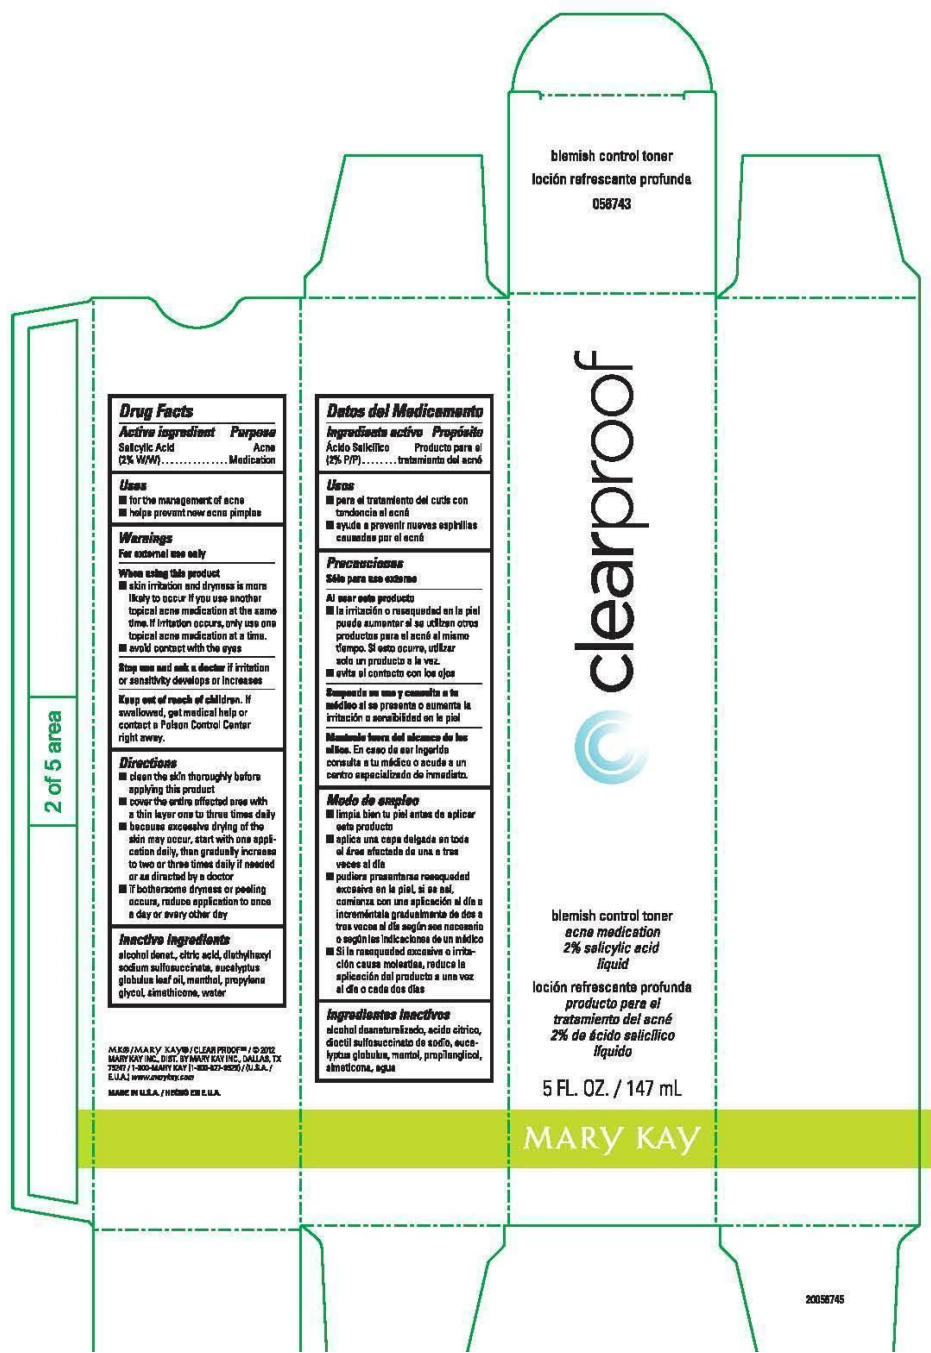

Inactive ingredients

alcohol denat., citric acid, diethylhexyl sodium sulfosuccinate, eucalyptus globulus leaf oil, menthol, propylene glycol, simethicone, water
