

HEMORRHOIDAL- cocoa butter, phenylephrine hcl suppository
Amerisourcebergen Drug Corporation

GNP Hemorrhoidal Suppositories

Active Ingredients (per suppository)

Cocoa butter 88.44%

Phenylephrine hydrochloride 0.25%

Purpose

Protectant

Vasoconstrictor

Uses

- temporarily shrinks hemorrhoidal tissue
- gives temporary relief to the itching, burning and discomfort associated with hemorrhoids
- aids in protecting irritated anorectal areas

Warnings

For rectal use only

Ask a doctor or pharmacist before use if you are

presently taking a prescription drug for high blood pressure or depression

Ask a doctor before use if you have

- heart disease
- thyroid disease
- difficulty in urination due to enlargement of the prostate gland
- high blood pressure
- diabetes

When using this product

- do not exceed the recommended daily dosage unless directed by a doctor
- in case of bleeding or if condition worsens or does not improve within 7 days, consult a doctor promptly

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away

Directions

- Adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or soft cloth before insertion of this product.
- Detach one suppository from the strip; remove plastic wrapper before inserting into the rectum as follows:
 - hold suppository with rounded end up
 - as shown, carefully separate plastic tabs by inserting tip of finger nail at end marked "peep here"
 - slowly and evenly peel apart (do not tear) plastic by pulling tabs down both sides, to expose the suppository
 - remove exposed suppository from wrapper
 - insert on suppository into the rectum up to 4 times daily, especially at night, in the morning or after each bowel movement
- children under 12 years of age ask a doctor

Other information

store at 20-25°C (68-77°F)

Inactive ingredients

corn starch, methylparaben, propylparaben
