Warning.

- 1 For external use only, avoid contact with eyes when used
- 2 Keep out of reach of children

Diamond Glow Dark Spot Corrector, infused Amla and Dandelion extracts, synergistically work together to naturally lighten unwanted spots and provide antioxidant protection against environmental aggressors. This skin-correcting cream can help fade pigmentation from dark elbows, knuckles, spots, marks and post-acne blemishes helping to promote and maintain a more even, unified complexion.

Directions: Apply a thin layer to the entire affected area 2-3 times per week. If skin is sensitive, build up a tolerance by slowly introducing into your daily routine. For best results, apply after serum.

KEEP OUT OF REACH OF CHILDREN SECTION

Active Ingredients

ALPHA-ARBUTIN1%
ASCORBIC ACID0.5%
NIACINAMIDE 2%
TARAXACUM OFFICINALE EXTRACT0.5%

Active Ingredients

ALPHA-ARBUTIN1%
