Description:

PureVita Adult liquid vitamin is indicated to provide significant amounts of essential vitamins and minerals, including Vitamins A, C, D, E, thiamine, riboflavin, niacin, vitamin

B6, vitamin B12, folate, calcium, magnesium, and zinc, to supplement the diet. This comprehensive nutrient profile helps prevent nutritional deficiencies of these vitamins and minerals, ensuring that the specific dietary needs of adults and children are met to support overall health, energy, and vitality. The product is specially formulated to target common vitamin and mineral gaps in adults, thus promoting optimal health, immune function, bone strength, and metabolic balance. It is intended to be used under the guidance of a licensed healthcare practitioner to ensure that any potential for nutritional deficiency is addressed in a manner that supports the individual's overall health and wellbeing.

PureVita Adult Liquid Vitamin should be administered under the supervision of a licensed medical practitioner.

This listed product is not a National Drug Code, but instead has merely been formatted to comply with standard industry practice for pharmacy and insurance computer systems.

Warning and Precautions:

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

PureVita Adult Liquid Vitamin should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

Dosage and Administration:

PureVita Liquid Multivitamin for Adults: The usual adult dose is 1 tablespoon (15 mL) daily.

How Supplied:

PureVita Adult Liquid Vitamin is supplied in a 16 fl. oz. bottle.

84781-0950-16

Reserved for Professional Recommendation
