

WORMWOOD PATCH- wormwood patch salve
Guangzhou Yixin Cross-border E-commerce Co., Ltd.

Active ingredients

ARTEMISIA ARGYI LEAF-10%

Purpose

Relieve joint pain: Ai Cao Tie is often used to relieve joint pain caused by rheumatism, arthritis, or other reasons.

Improving muscle pain: For problems such as muscle soreness, sprains, strains, etc., mugwort patches can also have a certain soothing effect.

Promote blood circulation: Ai Cao Tie can help improve local blood circulation and promote smooth circulation of qi and blood.

Expelling Cold and Dampness: In traditional Chinese medicine theory, mugwort has the effect of dispelling cold and dampness, and is suitable for discomfort caused by cold and dampness

Uses

- 1: Clean the skin
- 2: Select the application site
- 3: Open the packaging
- 4: Apply the patch
- 5: Usage time: Determine the duration of application according to the recommendations in the product manual.
- 6: Follow up treatment: After removal, the skin can be washed with clean water to avoid residual

Warnings

Avoid damaging the skin:

Do not use mugwort patches on wounds, burns, damaged or inflamed skin. This may worsen skin problems or cause infections.

Avoid contact with eyes and mucous membranes:

Avoid allowing the patch to come into contact with mucous membranes such as the eyes and nose during use. If accidentally touched, please rinse immediately with plenty of water and seek medical assistance.

Notice for Children's Use:

Children should use it under adult supervision. Ensure that children do not accidentally consume the patch and avoid placing it in areas that are not easily accessible to children.

Long term use instructions:

Avoid prolonged continuous use, especially in the same area. Long term use may cause skin allergies or other adverse reactions.

Storage conditions:

It should be stored according to the instructions in the product manual, usually in a cool and dry place, away from direct sunlight and high temperature environments.

Pregnant and lactating women:

Pregnant and lactating women are not allowed to use it.

Dosage and administration

For external use only.
