The 3-Day Herbal Patch can help relieve chronic joint pain and the stiffness of arthritis. The generous amount of herbal formula in each patch extends effectiveness for up to 3 days. For the pain of recent injury and acute inflammation, also try Dr. Tan's **PAIN-RELIEVING** formula.

Victor Tan, an international gold-medal acrobat who well understands physical pain and inflammation resulting from injury, developed the patch based on an herbal formula created and used by his family for four generations. He has successfully used the 3-Day Herbal Patch on many of his patients in his Traditional Chinese Medicine practice.
