Aids in the prevention of dental cavities

Keep out of reach of children under 6 years old. If you accidentally swallow more than used for brushing, get medical help or call a Poison control center right away.

Keep out of reach of children under 6 years old. If you accidentally swallow more than used for brushing, get medical help or call a Poison control center right away.

Place a pearl-sized drop of Whitening toothpaste on a dry toothbrush and brush in a circular motion for 2 minutes, 2x a day.

Adults and children 2 years of age and older: Brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor. Instruct children under 6 years of age in good brushing and rinsing habits (to minimize swallowing). Supervise children as necessary until capable of using without supervision.
Children under 2 years of age: Consult a dentist or doctor.
