## Acne Clearing System

### Spotless Cleanser®

2% salicylic acid acne cleanser

Cleanses deep to clear and heal acne

### Bioelements - Used in Professional Facials

Chances are, if you have ever had a professional facial, you've experienced Bioelements. Since 1991, skin care specialists have been using our highly individualized formulas to treat the skin, target complexion concerns and discourage skin-aging. And, unlike ordinary skin care, each Bioelements product is a professionally created treatment designed to make a major difference in the appearance of your skin.

### Bioelements Professional Formula Integrity

- ✓ No artificial colorants
- ✓ No synthetic fragrance
- ✓ Not tested on animals
- ✓ Contains natural botanicals

Clear skin starts with clean skin. This highly effective cleanser uses maximum strength 2% salicylic acid to remove surface bacteria without over-drying or stripping skin. Its fragrance-free formula clears skin of acne pimples, blackheads and whiteheads, and allows it to heal.

### For skin that has acne

**Dermatologist and clinically tested to be non-irritating.**

**So effective, it's used in acne facials by skin care professionals.**
