Laureth-30 0.15%
Polyacrylamide 0.10%
C13-14 Isoparaffin 0.10%
Laureth-7 0.10%
Camphor 0.10%

Purpose

Enhancing Skin Elasticity: Helps improve skin firmness and elasticity, reducing sagging.
Moisturizing and Hydrating: Provides deep hydration to keep the skin soft and smooth.
Improving Skin Texture: Helps to smooth the skin's surface, reducing roughness and fine lines.
Sculpting the Body: Makes the skin appear more toned.

Uses

Dispense an appropriate amount of firming cream and apply it evenly to the areas that need tightening, such as the abdomen, thighs, and arms. Gently massage the applied areas with your fingertips to help the product absorb better. You can use circular motions to massage until the cream is fully absorbed. It is recommended to use daily, both morning and evening. For better results, you can also incorporate regular exercise and a healthy diet.

Warnings

Do not enter the eyes when using. Rinse with plenty of water and keep out of reach of children. Not edible

Stop use

STOP USE:

Discontinue use and consult a physician if any skin irritation, redness, itching, or allergic reaction occurs.

Do not use

DO NOT USE:

If you are allergic to any of the ingredients.

On broken, inflamed, or irritated skin.

In conjunction with other hair loss treatments.

Keep out of reach of children!

To avoid danger of suffocation, keep this bag away from babies and children. Do not use this bag in cribs, beds, carriages, or play pens. This bag is not a toy.

Precautions for Use

If it does not penetrate deeply into the eyes, rinse with plenty of water. Do not use on children alone, this product is not food, do not eat.

Instructions for Use

Dispense an appropriate amount of firming cream and apply it evenly to the areas that need tightening, such as the abdomen, thighs, and arms. Gently massage the applied areas with your fingertips to help the product absorb better. You can use circular motions to massage until the cream is fully absorbed. It is recommended to use daily, both morning and evening. For better results, you can also incorporate regular exercise and a healthy diet.

DOSAGE & ADMINISTRATION SECTION

DOSAGE & ADMINISTRATION:

Use approximately one to two pumps of oil per application.

Apply evenly to dry scalp and hair, gently massaging to enhance absorption.

Frequency can be adjusted as needed, but daily use is recommended for best results.
