Active ingredients: Ethyl alcohol 70.0 % v/v

**INACTIVE INGREDIENT**

Inactive ingredients:

Water, Triethanolamine, Glycerin, Carbomer, Polysorbate 20, Tocopheryl Acetate, Perfume

**PURPOSE**

Purpose: Antiseptic

**WARNINGS**

Warnings:

1.Do not use the product on the following areas:

Around the eyes and ears, in the mouth, large body parts and damaged skin(Irritation may occur)

2.Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

3.If you experience any of the following symptoms, discontinue use of the product immediately and consult a physician or pharmacist.

- Hypersensitivity symptoms, e.g. rash, erythema, itchiness, and edema
- Skin irritation symptoms

4.Other precautions

- For external use only (do not swallow).
- Avoid contact with eyes. If contact occurs, wash with clean water and consult a doctor or pharmacist.
- Be careful not to inhale vapors in cases of extended or prolonged use. (Repeating inhaling of large amounts of ethanol vapor may cause irritation of the mucous membranes and headaches).
- If used repeatedly in the same area, care should be provided as the skin may become rough due to excessive oil removal.
- Do not use sealed bandages, cast bandages, or packs as they may cause irritation.
- Do not use this drug on the anal or vagina areas, or with hot packs, as it may cause irritation or chemical burns.
- Use only for the intended purposes.

5.Precautions for storage

- Keep away from direct sunlight and do not expose the product to heating devices or flame.
- After use, close the lid completely to prevent the product from drying or foreign objects from getting inside the container.
- Storing the product in a different container may cause accidents or deterioration of quality. Therefore, keep the product in its original container.

Dust or foreign substances may get on the product while using it.
