Hair regrowth treatment for men and women

Use to regrow hair of the scalp

Flammable: keep away from fire or flame.

Keep out of reach of children.

For external use only

Your hair loss is sudden and/or patchy.

You do not know the reason for your hair loss.

You are under 18 years of age. Do not use on babies and children.

Your scalp is red, inflamed, infected, irritated, or painful.

You use other medicines on the scalp.

Do not apply on other parts of the body.

Avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water.

Some people have experienced changes in hair color and/or texture

It takes time to regrow hair, results may occur at 2 months with twice a day usage, for some people, you may need to use this product for at least 4 months before you see results.

The amount of hair regrowth is different for each person. This product will not work for all people.

Chest pain, rapid heartbeat, faintness, or dizziness occurs.

Sudden, unexplained weight gain occurs.

Your hands or feet swell.

Scalp irritation or redness occurs.

Unwanted facial hair growth occurs,

You do not see hair regrowth in 4 months,

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Apply half a capful 2 times a day to the scalp in the hair loss area.

Massage into scalp with fingers, then wash hands well.

See enclosed leaflet for complete directions on how to use.

Using more or more often will not improve results.

Continued use is necessary to increase and keep your hair regrowth or hair loss will begin again.

Before use, read all information on carton and enclosed leaflet. Store at controlled room temperature 20° to 25°C (68° to 77°F) Do not incinerate container. Do not expose to heat or store at temperature above 104°F (40°C)
