NET WT 3 OZ (85 g)

Walgreens Advanced Healing Wound Gel

Specially formulated for minor burns. The gel also works on everyday minor cuts and scrapes cuts and scrapes. The active ingredients combined with acemannan, an aloe extract, help to protect minor cuts, scrapes and burns as well as decrease the risk of infection.

Acemannan — a unique, naturally derived functional ingredient. Acemannan is a complex polysaccharide obtained from the inner gel of the aloe vera leaf. It has been extensively studied and was clinically shown to be safe and effective in supporting the natural wound healing.
