Warnings

Do not use

if you have Hereditary Fructose Intolerance (HFI). This product contains fructose.

Ask a doctor before use if you

- have diabetes because this product contains sugar
- are on a sodium-restricted diet

Ask a doctor or pharmacist before use if you are

taking any other medications. This product may interact with certain prescription drugs.

When using this product,

do not take more than 16 tablets in a 24-hour period.

Stop use and ask a doctor if

nausea lasts more than two weeks or recurs frequently.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- Adults: 2-4 tablets.
- Children: Consult a doctor for appropriate dosage.
- Chew tablets completely.
- Dosage may be repeated after 15 minutes, not to exceed 16 tablets in a 24-hour period unless advised by a doctor.
- Read all package directions and warnings before use and use only as directed.
- Nauzene Chewables are intended for use by normally healthy persons only.
- Persons under 18 years of age should use only as directed by a doctor.

Other information

- Sodium content: 60 mg/tablet
- Store at room temperature.
- ****Contents Sealed:** Each round tan NAUZENE chewable tablet bears the identifying mark "ALVA" and is sealed in a clear plastic blister with a foil backing. Do not use if seal appears broken or if product contents do not match product description. Slight darker speckling may occur over time. **Note:** NAUZENE is not intended as a substitute for a balanced nutritional diet or as an electrolyte replenishment.
- You may report serious side effects to the phone number provided under **Questions?** below.
