MINTFUSION LIP BALM SPF 30

hydrates, soothes and protects. Enriched with moisturizing shea butter to lock in hydration and provide a protective barrier from the sun and other environmental elements. Wear alone, over, or under your favorite lip color to transform your signature shade into an antioxidant-powered UV protector.

SCOOP ON THE GOOP

"On my annual family ski trip I'm always reminded how necessary a good lip balm is. As you go up in elevation the UV index not only gets higher, but snow magnifies the intensity so using UV protection is very important. Plus, lips don't have oil glands so they really need that extra defense against the elements."
