Directions

Directions for Sunscreen Use

apply liberally and evenly 15 minutes before sun exposure

reapply at least every 2 hours

use a water resistant sunscreen if swimming or sweating

Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad

Spectrum SPF value of 15 or higher and other sun protection measures including:
limit time in the sun, especially from 10 a.m. – 2 p.m.
wear long-sleeved shirts, pants, hats, and sunglasses
children under 6 months of age: Ask a doctor

"The tip-to-toe SPF
I created for anything
that requires you
to break a sweat –
or get wet."

FEATURING

Aloe Vera: Yep it's that weird-looking plant that your mom once tried to smear on your sunburn, but that's cause she knows what's up and aloe vera is excellent for soothing irritated skin.

Vitamin E: This E is actually type-A, cause she takes protecting your face and bod against sun damage and all those no-good free radicals very seriously.

A GLOWY-NOT-SWEATY FINISH

- ♡ Your Hot Girl Walks have never looked better.
- ♡ The perfect take-anywhere SPF for play, every day and vacay.
