Directions

- 1.Facial Cleansing:** Wet your face with warm water, then rub the castor soap between your hands to create a lather. Gently massage it onto your face in circular motions, avoiding the eyes. Rinse thoroughly with warm water and pat dry.
- 2.Body Wash:** In the shower, use castor soap as a body wash by lathering it directly onto your skin or onto a washcloth or sponge. Rinse well to leave skin clean and refreshed.
- 3.Shampoo Bar:** If using as a shampoo, wet your hair and rub the soap bar directly onto your scalp and hair. Massage gently to create a lather, then rinse thoroughly. It may be followed by a conditioner if desired, as castor oil can sometimes leave a slight residue on the hair.
- 4.Hand Soap:** Keep castor soap by the sink as a gentle hand soap, especially helpful for dry or sensitive skin due to its moisturizing properties.
