Rxhomeo Private Limited d.b.a.

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

ACTIVE INGREDIENT

HELLEBORUS NIGER HPUS 3X and higher

KALI PHOSPHORICUM HPUS 1X and higher

USES

A homeopathic combination pack with two single remedies Helleborus Niger and Kali Phosphoricum for relief of symptoms associated with depression.

Helleborus Niger: Helleborus Niger is a chief remedy for treating depression. The patient is very much irritable and easily angered. He does not want to be disturbed. The patient is very much melancholic, woeful, despairing, silent or extremely anguished. It is especially suitable to girls at puberty or when menses fail to return after appearing. The patient is worse from consolation. Helleborus Niger is also suitable for many brain troubles during dentition with threatened effusion. Also unconscious and stupid when questioned and answers slowly. Helleborus Niger also helps in homesickness.

Kali Phos: Kali Pho is a suitable remedy depression. The patient is very nervous, depressed and general irritability. There is great despondency about business and loss of memory. Indisposition to meet people. The patient is shy with no inclination to converse. Want of energy, slightest labour seems heavy task. Also brain fag from over work. Anxiety and nervousness. Gloomy and always looks at the dark side of everything. There is extreme lassitude and depression. There are hallucinations and illusions of senses. Also helps in anemic conditions.

INDICATIONS

Condition listed above or as directed by the physician

DOSAGE

Adults: Take 4-5 pellets or tablets orally by mouth and allow them to dissolve on tongue. Repeat at least 3 times a day, about 30 minutes before or after food. Similarly take the second remedy after a gap of 30 minutes, make sure to remember the sequence.

Children: Half of the adult dose.
