

CVS HEALTH CHEST CONGESTION AND COUGH HBP SOFTGEL-
dextromethorphan hydrobromide, guaifenesin capsule, liquid filled
CVS Pharmacy, Inc

CVS Health® Chest Congestion & Cough HBP SOFTGELS

Drug Facts

Active ingredients (in each softgel)

Dextromethorphan hydrobromide 10 mg
Guaifenesin 200 mg

Purpose

Cough suppressant
Expectorant

Uses

- temporarily relieves cough due to minor throat and bronchial irritation as may occur with a cold
- helps loosen phlegm (mucus) and thin bronchial secretions to make coughs more productive

Warnings

Do not use

- if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product
- if you have ever had an allergic reaction to this product or any of its ingredients
- in children under 12 years of age

Ask a doctor before use if you have

- cough that occurs with excessive phlegm (mucus)
- persistent or chronic cough as occurs with smoking, asthma, chronic bronchitis, or emphysema

Stop use and ask a doctor if cough lasts more than 7 days, reoccurs, or occurs with fever, rash or persistent headache. These could be signs of a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away. **Abuse of this product can lead to serious injury.**

Directions

- do not exceed recommended dose
- adults and children 12 years and over: 1 or 2 softgels every 4 hours. Do not take more than 12 softgels in 24 hours or as directed by a doctor
- children under 12 years of age: do not use

Other information

- store at room temperature between 20°-25°C (68°-77°F) • protect from freezing
- avoid excessive heat above 40°C (104°F) • protect from excessive moisture

Inactive ingredients

FD&C Red No.40, gelatin, glycerin, polyethylene glycol, povidone, propylene glycol, purified water, sorbitol sorbitan solution, titanium dioxide
